The State of AmSECT

From Good to Great

Jeffrey B. Riley
President, American Society of ExtraCorporeal Technology

“Good is the enemy of great”

Mission: Safe Patient Care

Built Strategic Plan on 4 Mission Pillars

Quality
Community
Responsibility
Education

“Help our members take care of patients”

AmSECT Mission Statement

“The mission of AmSECT is to foster improved patient care and safety by providing for the continuing education and professional needs of the extracorporeal circulation technology community.”

LEAD – COLLABORATE – EDUCATE – CARE
Consolidation of Educational Offerings
