

AmSECT TODAY

Thank you for your interest in advertising with the American Society of ExtraCorporeal Technology (AmSECT). *AmSECT Today*, the official newsletter for AMSECT, is published bi-monthly and is distributed to more than 2,000 members. Within its pages, readers will find in-depth and thought-provoking articles as well as information about upcoming events, educational offerings, student perspectives, challenging quizzes and many ways to stay current in the ever-evolving perfusion environment.

AmSECT Today's digital, interactive format offers enhanced features for readers as well as advertisers, including special display placements, animation and video. Strengthen your message and get the attention of readers with exclusive options and interactivity. Visit the *AmSECT Today* digital advertising book online at www.nxtbook.com/nxtbooks/amsect/salesbook/ to discover how each enhancement functions and can help support your business goals.
